PLASTIC SURGEON

Dr. Peter Cheski

44623 10th St. West
Lancaster, 942-0451

The offices of Dr. Peter Cheski specialize in the latest in plastic surgery techniques, including trans-umbilical breast surgery, which eliminates scars on the breast itself and reduces recovery time.

Patient-focused care, excellent results and attention to detail are the reasons Dr. Cheski and his excellent, professional staff feel they have been honored to be chosen AV's Best for 2006.
